

# NEW LATCH AND SPRING RETROFIT

Installing a new-style Latch #47 onto an older Monitor.

For serial number 1500-22189R on - may not fit older Monitors.

The new-style latch, introduced in 1994, has a rearward-facing arm to which a release lanyard is attached.

NOTE: New-style Latch Spring #48 is needed with the new Latch #47
